

TECHNICAL DATA SHEET

MALCO® POTENT PURPLE™ (1203)

DESCRIPTION

Potent Purple™ is a highly concentrated, caustic-based cleaner and degreaser that easily removes heavy soils in a variety of applications and leaves surfaces film-free. Use on dirty engines, wheels and wheel wells, floors, concrete walls and more.

DIRECTIONS

To clean surfaces, mix to appropriate dilution with water. Spray onto surfaces, let dwell for up to five minutes and rinse. Scrub if necessary. To clean engines, dilute 1:1. To clean concrete floors and walls, mix 1:1. To clean tires and wheels, dilute 1:2. For lighter soils, dilute up to 1:15. NOT for use on aluminum.

FEATURES AND BENEFITS

Deep cleaning action removes heavy grease and soils	Versatile to meet a variety of jobs
Rinses clean, leaving no residue	Phosphate free
Body shop safe	VOC compliant

PACKAGE SIZES

- 5 gallon (Part number: 120305)
- 55 gallon (Part number: 120355)
