

MALCO[®] ANNIHILATOR[™] (1151)

DESCRIPTION

Annihilator[™] will quickly and easily remove petroleum-based transit coatings and cosmoline from vehicle surfaces to speed new car prep. Annihilator is safe to use on any painted surface.

DIRECTIONS

Test surface before using. Apply in an inconspicuous area and wipe with clean cloth. If appearance of treated area changes, discontinue use immediately. To remove coatings: Apply Annihilator to a clean cloth and gently rub area to maximize contact between cleaner and surface. For best results, turn cloth frequently while cleaning. Repeat if necessary.

FEATURES AND BENEFITS

Speed vehicle prep	Easily removes petroleum-based transit coatings and cosmoline
