

MALCO[®] SHOWROOM SHINE[™] SPRAY (1104)

DESCRIPTION

Showroom Shine[™] is a premium vehicle surface enhancer. This easy-to-use product will remove dirt and fingerprints and leave an attractive shine on any nonporous painted surface. Showroom Shine also works extremely well as a lubricant for use with over-spray clays, clay alternatives and when buffing and polishing.

DIRECTIONS

SHAKE WELL BEFORE USING. To leave a deep, protective shine, simply spray Showroom Shine on dusty, smudged, smeared or fingerprinted surfaces and wipe clean with a microfiber cloth. NOTE: Store product below 105°F.

FEATURES AND BENEFITS

Cleans and waxes painted surfaces, metal and glass	Removes dust, smears, and fingerprints to leave a bright shine
Restores “like-new” appearance	Lengthens time between washes
Viscous easy application	Use as a lubricant for overspray clays
