

## MALCO<sup>®</sup> SUPER CITRA CLEAN<sup>™</sup> (1184)

### DESCRIPTION

Super Citra Clean<sup>™</sup> is a premium cleaner designed to remove petroleum-based soils as well as cosmoline and transit coatings. This water-based, d-limonene formula makes removal of baked-on grease fast and easy. Super Citra Clean will not harm metals – even when used at full strength.

### DIRECTIONS

For removal of cosmoline and transit coatings: Apply 1:1 solution to coated area and let soak for approximately 3-5 minutes. Lightly scrub with car wash brush and rinse away residue. For engine degreasing: Spray directly on oily soils and let stand for approximately 5 minutes. Rinse thoroughly. For tar removal: Spray directly onto affected area and wipe with a clean, soft cloth. Rinse thoroughly.

### FEATURES AND BENEFITS

Cuts through oil, tar and grease quickly and easily	Removes cosmoline and other transit coatings
Strips wax and sealants from painted surfaces	Works great as a spot and stain remover
VOC compliant	Body shop safe
